

19 November 2009

OSCAR-WINNING composer Dario Marianelli visited Ricards Lodge High School to talk about his work. The musician has penned scores for the films *V For Vendetta*, *The Soloist* and *Atonement*, for which he won the Oscar. The visit to the school in Lake Road, Merton, on Tuesday of last week was organised by **FILMCLUB**, a national initiative that offers children free access to thousands of titles and film industry news. The project is part of the Government's National Year of Music, which was launched in September.
